# house policy

For the kids:

★ The play area is for quiet play – please don't climb on or hang from it. That way it stays safe for everyone!

★ Inside, we walk calmly. Running and wild adventures are for outside.

★ Please stay in the play area or at the table with your parents. Our team carries hot drinks and heavy plates – playing on the floor or running around isn't safe.

For the parents:

★ From the age of 1, outside food and drinks are not allowed. We offer a carefully curated menu – also for the little ones!

★ Please keep an eye on your children at all times. Our staff is here to make you great coffee, not to babysit.

★ Playtime happens with care. Running and shouting are for outside. If your child is very upset, please be considerate of others and take a short break outdoors.

Together we make Jungle a welcoming place for everyone.  
Thank you for helping!
